## President's Message

By Asabi Goodman

Greetings Golden Empire Section members and welcome to summer! It's that time of year again to leave the sweltering heat of the valley and head up into the mountains...Yes, our next dinner meeting will be at that wonderful restaurant, The Apple Shed. And with The Apple Shed being located in the beautiful city of Tehachapi, our dinner topic will cover - what else - the City of Tehachapi and the wonderful things taking place at its wastewater treatment plant. Jay Schlosser of Boyle Engineering and Bruce Zimmerman of Coombs-Hopkins will be presenting.

This promises to be a fun and interesting meeting with lots of good food! So, make your RSVP and come on out!

Until then, see you at the meeting!

Cheers!

*Asabi*
