Northern San Joaquin Section

Effluent Newsletter Sponsor - 2011

Sponsorships help support the Section's printing and postage costs. The newsletter features businesses within the water and wastewater industry, and industry related environmental and engineering consultants. The Northern San Joaquin Section *Effluent* is issued monthly (12 issues). A complimentary copy of the newsletter will be provided to each sponsor.

The cost will also include your ad listed on the NSJS web page with a link to your web page if you so choose. Thank you for your continued support.
