

SARBS is looking for Corporate sponsors for the 2012 year. If your company does business with water districts, sanitary districts in and around the LA & Orange county area (reaching out to the IE), this is the place your company should be advertising. If you plan on exhibiting at a SARBS event, the Gold Sponsorship is a great deal offering a booth at a SARBS event and or dinner for two at the awards banquet which is a great place to engage clients on a whole new level.

**SARBS Mission Statement**

The purpose of this Section is to enhance the education and technology to protect the quality of our water resources and to promote the ecological balance with the environment's other resources such as land and air.
