GREETINGS FROM THE PRESIDENT...

Wow! It is hard to believe that summer is almost here. This is my favorite time of year with warm weather, lots of sunshine, BBQs, and my favorite part....school is out and that means no more homework! The SFBS also has some great events planned for the summer. On July 18, the SFBS in conjunction with the Redwood Empire Section is hosting the "2009 Baseball Outing." It will be the Oakland A's against the Anaheim Angels at the Oakland Coliseum. Bring your family and friends out for a tailgate party and a fun afternoon at the ball park. The Collection System Committee will host its Annual Golf Tournament at the Monarch Bay Golf course in San Leandro on July 24, 2009. Start thinking about who you want in your foursome so you don't miss out on what is sure to be a great time.

On May 7, we had our monthly dinner meeting at the Washington Inn in Oakland. This was a new venue for us and the feedback was generally positive. Just in case you weren't able to attend, you're in luck. It's likely that we'll have some meetings there in the future. Alicia Chakrabarti of EBMUD and Carrie Del Boccio of RMC Water and Environment made a presentation titled "From the Cubicle to the Savannah and Back: How Engineers Without Borders Benefits You, Your Employees, and Maybe Even the World." Engineers Without Borders is a great organization that helps communities worldwide to have the capacity to meet their basic human needs through the design and implementation of sustainable engineering projects.

The presentation reminded me not to take for granted the many "luxuries" that we have here in America like having an abundant supply of fresh drinking water at our fingertips whenever we want it.

The next dinner meeting will be held on June 4, 2009, at the Lafayette Park Hotel in Lafayette. The meeting is being sponsored by the SFBS O&M Committee and Ali Vakili of Eaton Electrical will be presenting an "Introduction to Arc Flash Hazards." I hope to see you there. Please note that there will not be a July dinner meeting.

Florence Wedington, 2009 SFBS President

Congratulations to the State Award Winners!

As Florence reported in our last newsletter, Bay Section members racked up a number of awards at the state level. And now we have pictures of the winners! (Except for Delta Diablo's Robert Wright, winner of the Collection System Person of the Year Award.) The awards were presented at the CWEA Annual Conference in April in Palm Springs.

It's time to start thinking about next year's awards. This is a great opportunity to nominate a coworker or colleague to acknowledge their outstanding efforts, or perhaps you want to nominate your agency, program, or project to stimulate public awareness. The nomination forms will be available in June with nominations due in October. Get a head start now before the deadline approaches!

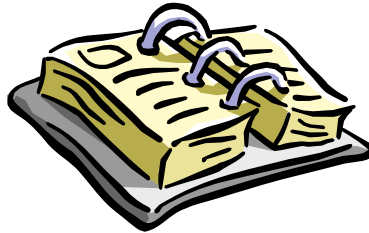

Mark your calendars: the awards will be presented at the SFBS Awards and Installation Banquet on January 8, 2010.

Please contact me at 925-945-6850 or kotoole@whitleyburchett.com if you have any questions on the awards program or need some guidance on completing a nomination.
