Questions?

Contact Kevin Garner, President (contact info on left side-bar)

Attendees of technical sessions will be issued Continuing Education contact hours toward CWEA Technical Certification

We see the bigger picture.

We see more in water—more than the science, more than the planning, and more than the design. We see the families and communities we serve, and the increasingly fragile ecosystems we must protect. For 90 years, we've been inspired to develop the most innovative solutions in the water industry, designed to improve our lives and the lives of all living things. It just doesn't get any bigger than that.

Vendor Fair Recap

We as a local section board want to extend a heartfelt thank you for those who attended our CWEA NSVS 2024 Vendor Fair.

Your presence and participation helped to make it a memorable and engaging experience.

We hope that you gained valuable insights and connections from the event. If you have any feedback, or anything you would like to see available moving forward (training sessions, Technical Certification Preparation Classes, demonstrations, etc.....) please email me directly @ kgarner@cityofredding.org so the note can be made. We look forward to seeing you again soon and hope this event will continue to grow.

Sacramento Rivercats Game Night

We need to gauge interest in this baseball game event to arrange for a block of seating (in the shade, if possible). Please fill out this brief survey if you are interested. Ticket prices will depend on the number of attendees...

Click <https://forms.office.com/r/uudiBA8gic> or use the QR code

Please fill out the survey by July 12, 2024.
